

<http://portal.azure.com>

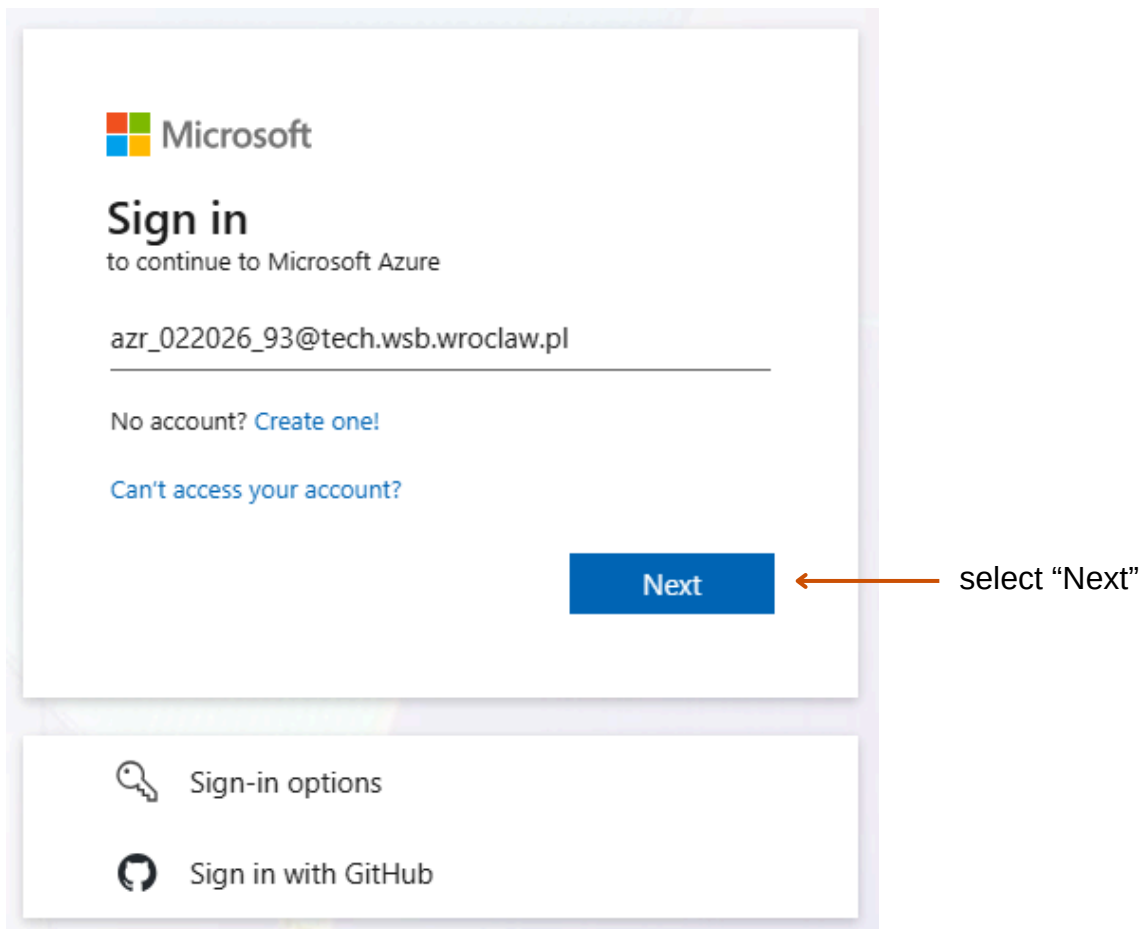

If you are already using a Microsoft account, the message on the page will look similar to this. Please select “Use another account”.

If you clicked “Use another account” in the previous step, or if you are not using any Microsoft account, you will see a message like this:

Enter the login and select “Next”

The image shows a Microsoft sign-in page. At the top is the Microsoft logo. Below it, the text "Sign in" is followed by "to continue to Microsoft Azure". A text input field contains the email address "azr_022026_93@tech.wsb.wroclaw.pl". Below the input field are two links: "No account? [Create one!](#)" and "[Can't access your account?](#)". At the bottom right is a blue button labeled "Next". An orange arrow points from the text "select 'Next'" to the "Next" button. Below the main sign-in area is a section titled "Sign-in options" with a key icon, and "Sign in with GitHub" with the GitHub logo.

Let's keep your account secure

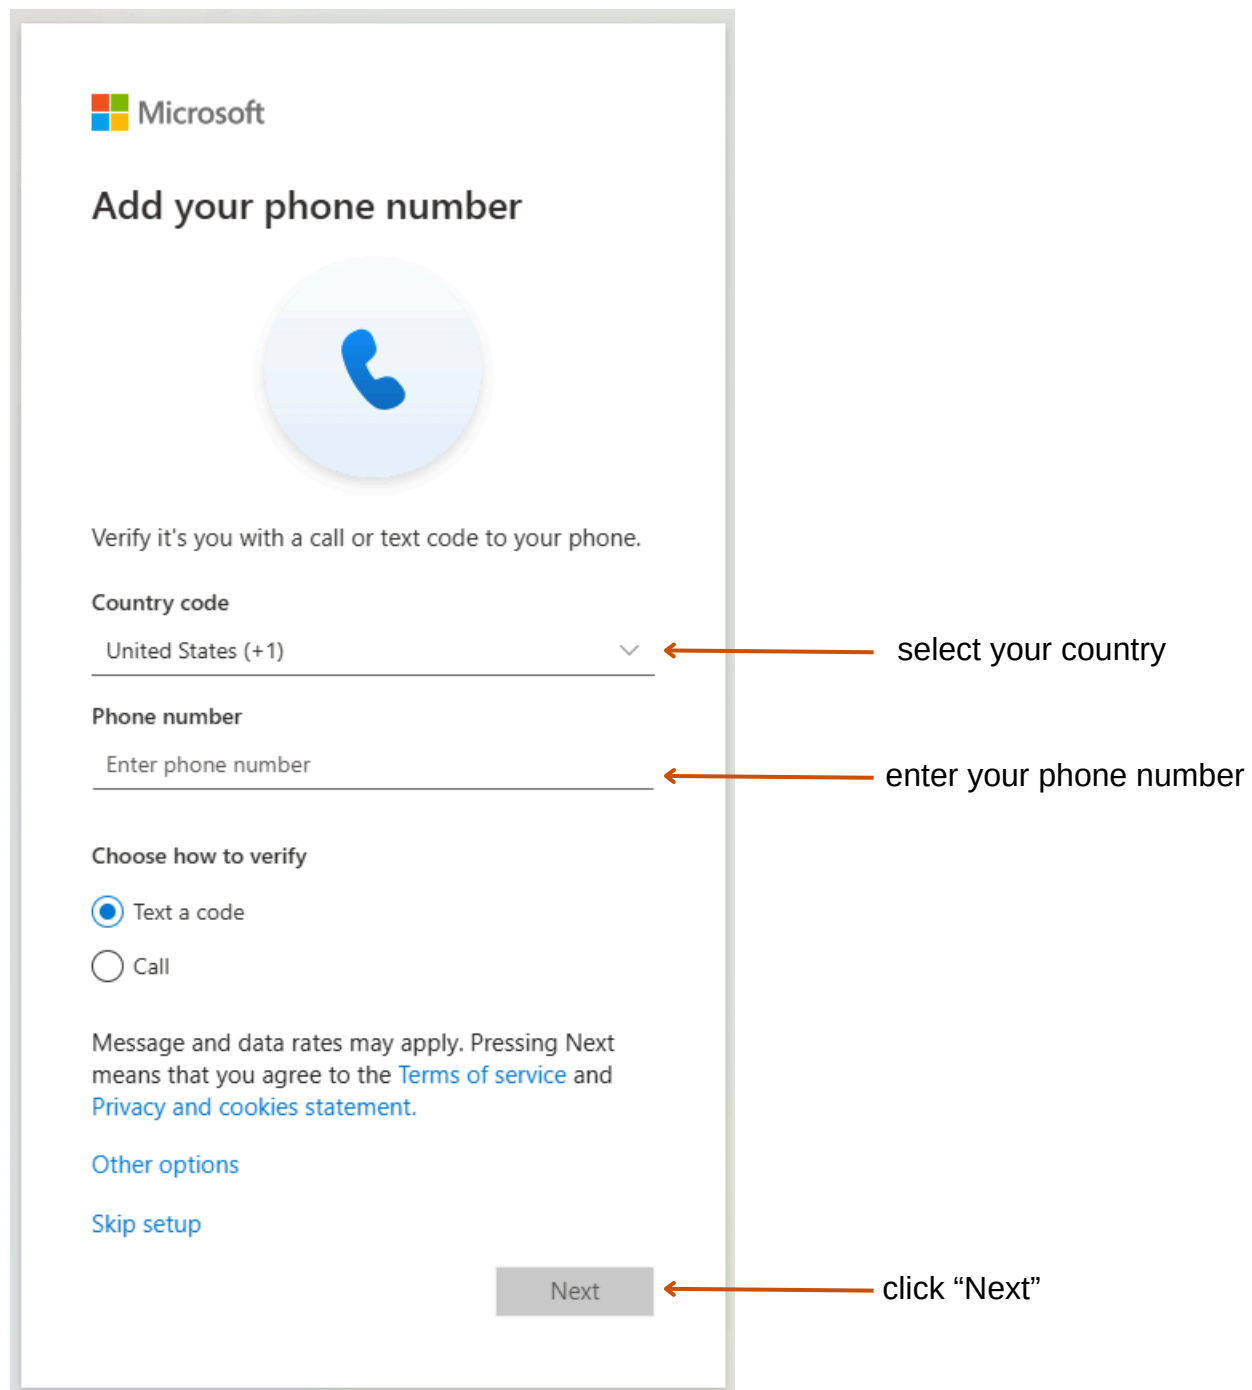

We'll help you set up another way to verify it's you.

[Use a different account](#)

[Learn more about verifying your identity](#)

Next

Select your country code and enter your phone number. You will receive an SMS verification code on this number.

The screenshot shows the Microsoft 'Add your phone number' setup screen. It includes a Microsoft logo, a title, a phone icon, and instructions to verify the user's identity. There are three main input sections: 'Country code' with a dropdown menu currently showing 'United States (+1)', 'Phone number' with a text input field containing the placeholder 'Enter phone number', and 'Choose how to verify' with two radio button options: 'Text a code' (selected) and 'Call'. Below these are links for 'Other options' and 'Skip setup', and a 'Next' button at the bottom right. Three orange arrows point to the 'Country code' dropdown, the 'Phone number' input field, and the 'Next' button, with labels 'select your country', 'enter your phone number', and 'click "Next"' respectively.

Microsoft

Add your phone number

Verify it's you with a call or text code to your phone.

Choose how to verify

☒ Text a code

☐ Call

Message and data rates may apply. Pressing Next means that you agree to the [Terms of service](#) and [Privacy and cookies statement](#).

[Other options](#)

[Skip setup](#)

Next click "Next"

You should receive an SMS with a verification code. Enter the code in the field below.

Microsoft

←

Verify your phone number

Enter the code we sent to +48 [redacted]

Enter code

[Didn't receive the code?](#)

[Other options](#)

Next

enter the code

click "Next"

You should see a confirmation message that your phone number has been added successfully.

Microsoft

✓ Phone number added

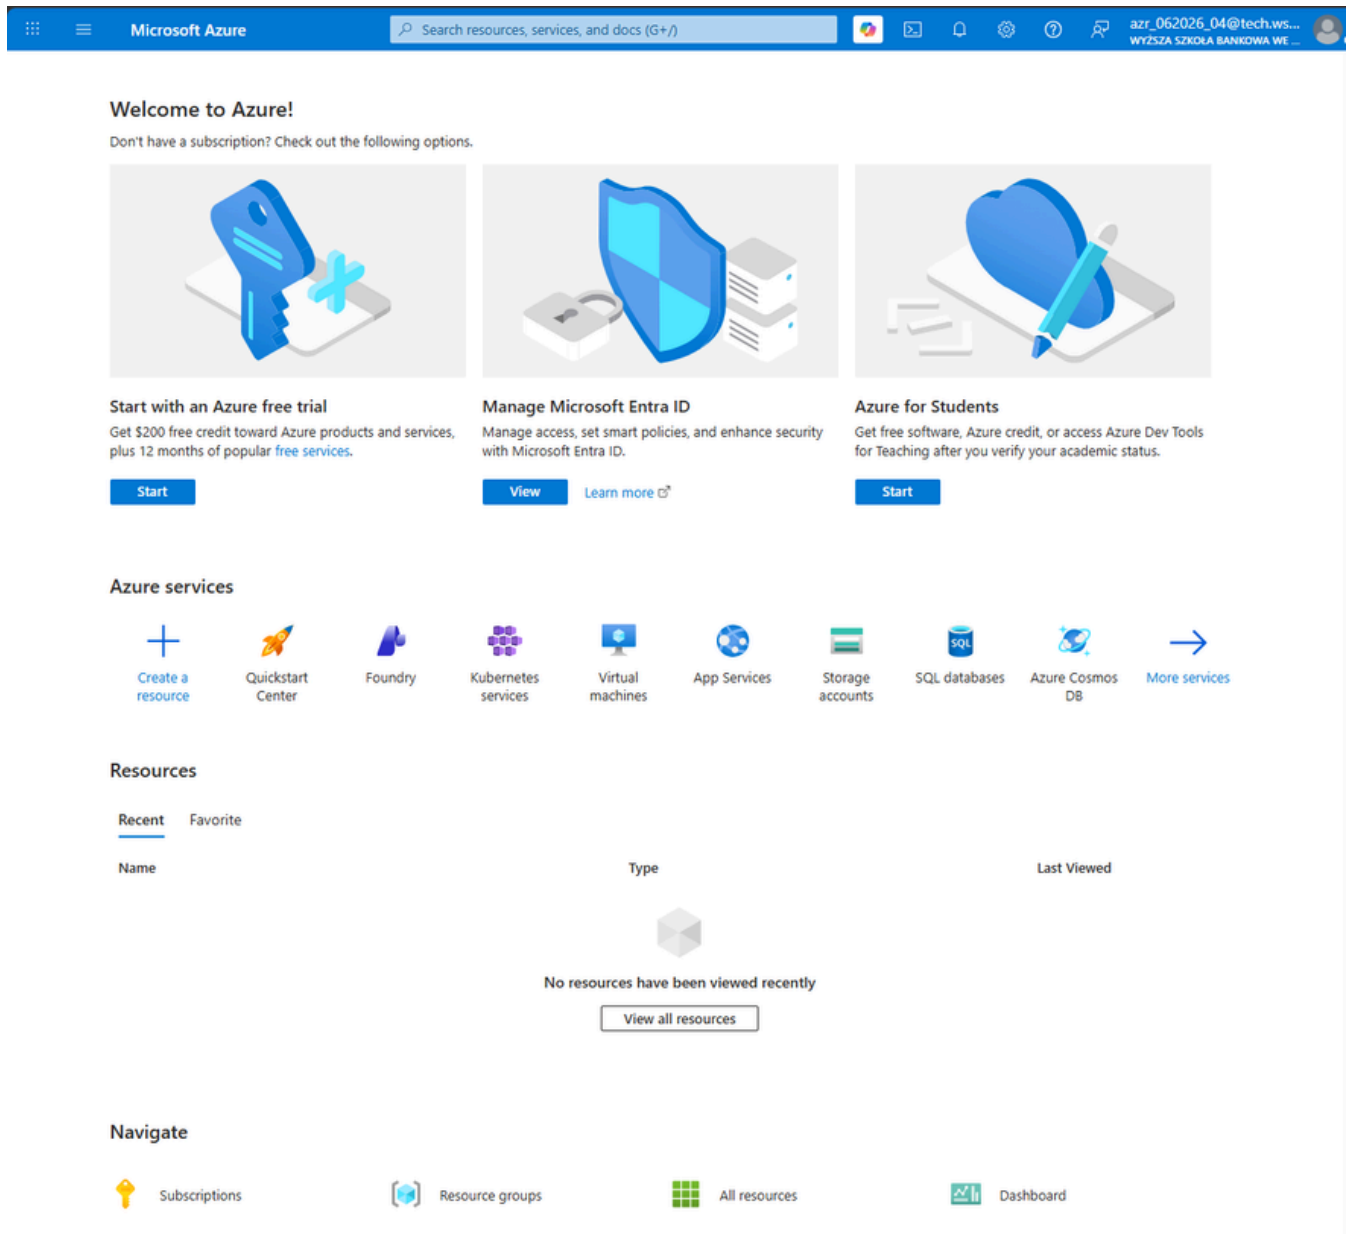

You can now receive a code each time you sign in.

Done

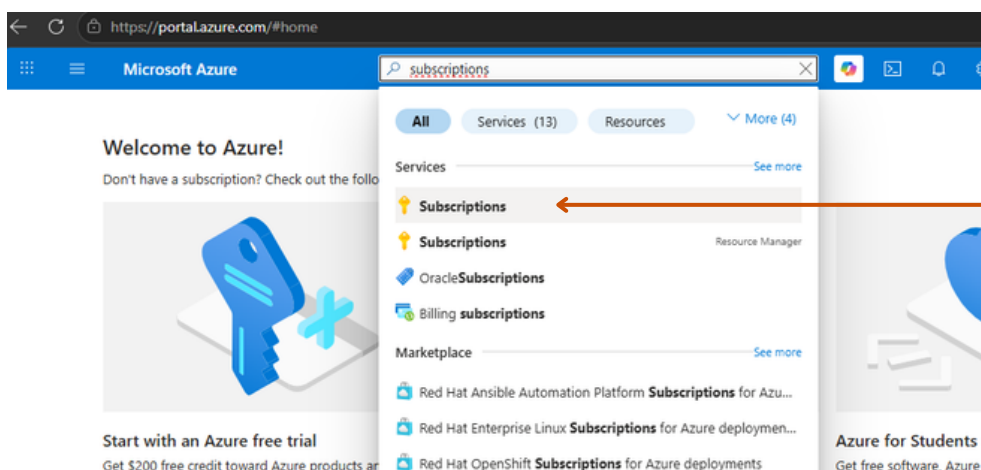

click "Done"

Important: Sometimes the window for entering your country and phone number appears a second time. Please fill it in again. You will receive another verification code by SMS — enter it again in the next window.

After entering the SMS verification code, you should be automatically redirected to the Azure portal page: portal.azure.com/#home

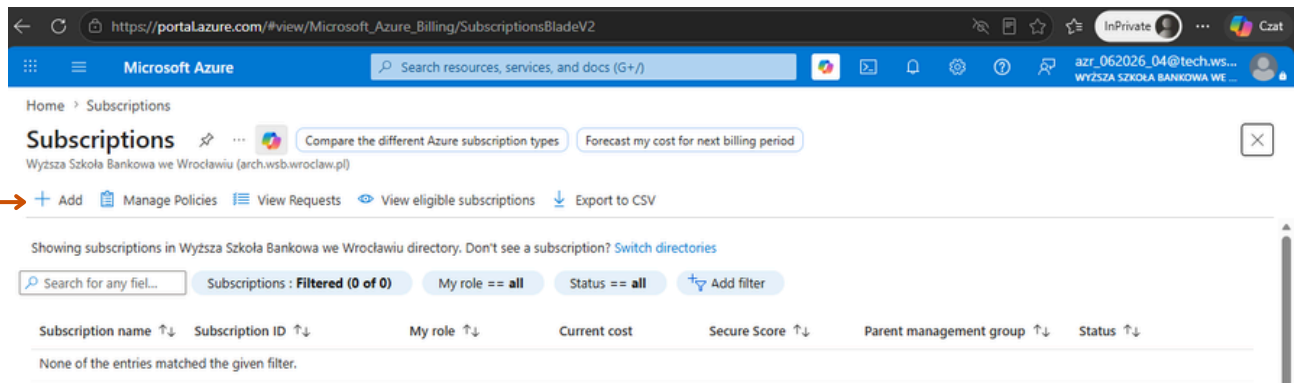

The next step will be adding a subscription, to do this, type "Subscriptions" in the search bar. Then, in the "Services" section, select the icon with the yellow key labeled "Subscriptions".

select this one

You will be redirected to the panel where you can manage your subscriptions.
Select “+ Add”.

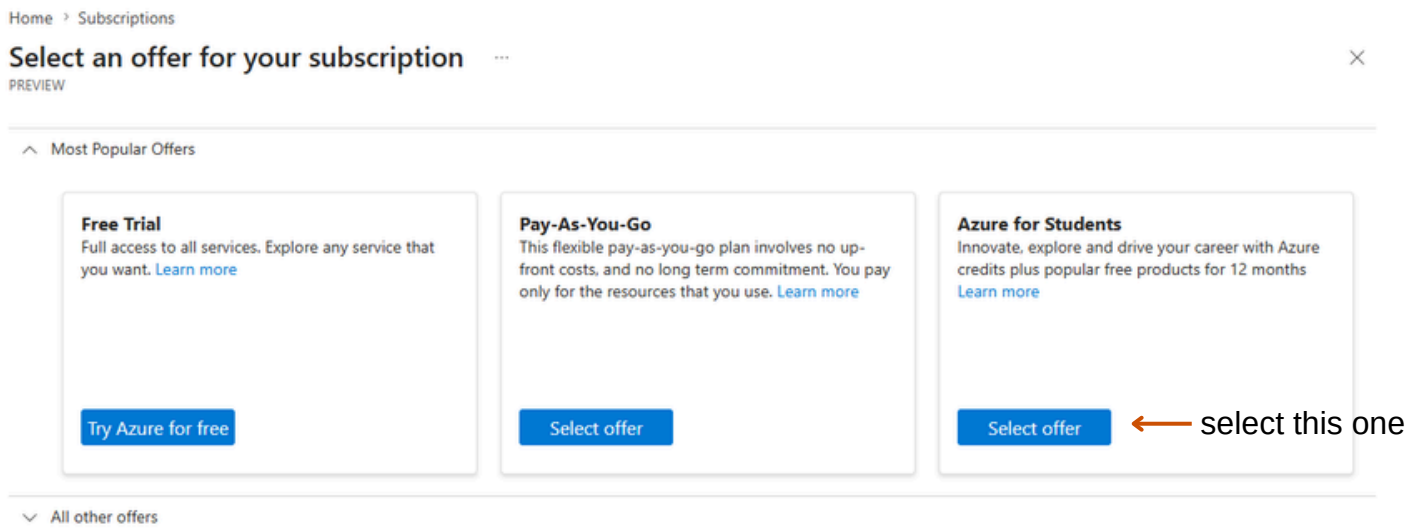

Next, you will be asked to choose a subscription type.

“**Free Trial**” - you will need to provide your payment card details, and you will receive \$200 credit to use for one month.

“**Pay-As-You-Go**” - you pay directly for the resources you use.

“**Azure for Students**” - this is the option we will use. Please select this one. It includes \$100 credit to use during the subscription period.

Build in the cloud with Azure for Students for free

Use your school email to sign up and renew yearly while you're a student.
